

## TE LAUDAMUS

1. We praise You, O Lord almighty,  
who art enthroned above the Cherubim and Seraphim,  
whom the Angels bless, and the Archangels,  
and whom the prophets and apostles praise.
2. We praise You, O Lord, as we pray to You,  
who came to free us from our sins.  
We pray to You, O great Redeemer,  
whom the Father sent to be the Shepherd of the sheep.
3. You are Christ our Lord and Saviour,  
who were born of the Virgin Mary.  
As we take up this holy chalice,  
free us always from all our faults.
